## The New Credit Derivatives Definitions Overview, Implementation and Impact

September 9, 2014

### *Understand the impact of these changes...*

The new ISDA Credit Derivatives Definitions will become effective on September 22, 2014. Understand the impact of these changes on the CDS market and your current portfolio of CDS trades. Learn how the migration to the new definitions will be implemented and what to do next.

In this seminar, we will discuss:

- The main substantive changes and implementation issues
- It's impact on tradable credit indices
- The perspectives from the sell-side
- The CDS and its impact on restructurings
